With 27 acres of lush gardens, sandy beaches and a tropical lagoon, InterContinental Resort and Spa Moorea is an oasis of luxury surrounded by nature. You can dive into the warm sea from the terrace of an overwater bungalow suite, or bathe in a private plunge pool in one of the garden-view bungalows. Borrow a kayak or paddleboard to explore the lagoon, or gaze at coral while snorkeling. After, dine in The Shell restaurant, or enjoy a themed evening of Polynesian dining, song and dance.
